Your complete guide to this issue's **BONUS VIDEOS**

Emma
Wants you to
see her cum!
Page 74

This issue comes with 9 full-length bonus videos: After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD. There are three XXX scenes with jizz-hungry newbs and six solo sluts.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them or download them and save them forever. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go.

Here are the highlights of this issue's bonus scenes.

Aubrey was a virgin when she enrolled in college. She decided to fuck our big-dicked stud to find out what, in her words, was "the big deal about size."

Krystal is a blonde chick with puffy nips and big pussy lips. She's straddling a cocksman and bucking until he's ready to pull out and get stroked off onto her face.

What is Cat, 20, doing in the garage with our guy Tony? Not home improvement projects! Cat jams a buttplug in her starfish and fucks herself with it. Then, she slides Tony's fat dick into both of her pink, wet holes.

Ali is a shy teen student from Fargo, Minnesota. We've got footage of her stripping in the office where she works part time. She fingers her slit on the breakroom table!

Abella has the nicest tan lines we've ever seen. She doesn't go topless on the beach and it shows! Don't worry, she loses all of her clothes in her masturbation scene.

Anna is a Portland hipster. She's into fisting, erotic piercing, pegging, bondage and cross dressing. She gives an interview, stands on her head, then fingers her cunt. How quirky.

Lia loves to cum. She's an expert at giving herself big, sloppy-wet, leg shaking orgasms. She pays extra attention to her delicious asshole.

Kate Anne is the perfect Bush Baby. Her soothing voice will make you rock hard as she whispers into the camera. Her massive natural tits are spectacular. Oh, and her bush is dark and thick. She's a cum-draining machine.

Rachel is a smoking hot 30-year-old who can't stop smiling. Why? She's got a new boyfriend who loves sharing her naked body with the world. He gets to fuck her big, round ass. He gets to squeeze and kiss her natural titties and bright-pink nips. But, he shares her pics with you just to be a nice guy.

Behind Closed Doors

Discovering the shocking kinks & fetishes of girls-next-door.

Featuring: Zelda

Zelda told us that she wanted to travel to Thailand more than anything. We asked her what attracted her to Thailand. Is it the architecture? The culture? The food? "I want to go so I can fuck the lady boys," she told us. "Think about it. It's a chick with a fat cock. It's the best of both worlds!" Zelda is one of the horniest girls we've ever had the privilege of meeting.

Born: February 5

Ht: 5'3"

Wt: 107 pounds

Bras: 32D

Panties: Thongs

Anal: Can't get enough

BJs: Swallow

Masturbate: Duh

We know you're not supposed to wolf whistle at pretty girls anymore, but Bea deserves some praise for her stunning appearance. This sexy bombshell was born in El Salvador but now lives and fucks in Florida. She likes acting, reading, playing soccer and watching the Miami Heat. "But I'd say my favorite hobby is masturbating and watching porn," Bea informed us.

"I have a bunch of toys that I like to use when I masturbate. But I can't use them immediately. I have really powerful vibrators that can hurt if I start with them. Instead, I like to watch porn for a while to get in the mood. Then I touch myself with my fingers, and when I get wet enough to slide a finger inside easily, I bring out the vibe."

Mile-High Fantasy Fuck
"My sex fantasy is having an orgy on a private plane. I would love for a bunch of guys to take their turns on me. I love anal. I've wanted to try a DP for the longest time. That would be the perfect place for my first time."

Until recently, Rachel had only had sex with her boyfriend from high school. "I love the guy, but I was curious about what else there was. You know, like, how other guys do it," she told our camera guy when he asked her how she decided to shoot porn. "My guy told me that if I shot some solo porn, he'd think about letting me shoot hardcore."

Don't Back Down

"The first time I had an orgasm, I thought I was going to pass out. I had been masturbating for years because it felt good, but I stopped whenever the feeling got too intense. Then, one day, I said 'fuck it' and did it all the way. It was a life-changing event."

PORN **SISTERS!**

Guys, everybody makes mistakes. We have to admit we made a big one. We didn't know that two beautiful amateur girls we shot for our magazine, one in 2016 and one in 2019, are actually real-life stepsisters. We found out after the fact. If we had known, we would have asked them to pose together. Damn! Alex is older by three years. She was the one who suggested Taylor get into the porn game, and she recommended us to pop her cherry, as they say. Maybe we'll have to invite them back to do a little stepsister striptease.

- **Jimmy Demaret**, Winner of 31 PGA Tour events, and three-time Masters winner.

-**Casey Stengel**, Baseball Hall of Fame class of 1966.

"I don't know. I still have sex 5 times a day with 7 different objects, LOL."

Bras: 36C

Age: 19

Panties: Victoria's Secret

Born: October 2

Anal: I love it

Ht: 5'7"

BJs: Swallow

Wt: 136 pounds

Masturbate: Not often

"I used to be a cheerleader and run cross-country in high school," Tiffany told us. "I love a good workout. There's nothing better than feeling your muscles strain and get tight, then having all of that tension release through a good stretch. I like stretching my pussy, too. I'm really close to getting my whole fist in there."

"I lost my virginity when I was 16," our little blonde beauty said. "I was a rebel at heart. I was really close with my neighbor, so I went to his house one night when I was feeling particularly horny.

We ended up fucking for, like, three hours, and it was incredible. I'm the only girl I know who orgasmed the very first time she got fucked. From that day on, I wanted to try everything."

Cleanup In Room Three

"I took a guy's virginity once in the dressing room of a J.C. Penney. He was nervous, so I sat him down on the bench and I did all of the work. I ended up letting him nut inside of me. There was cum dripping all over the carpet in there."

Bella

Bogotá, Colombia

Healthcare worker

Age: 20

Born: August 13

Ht: 5'5"

Wt: 140 pounds

Bras: 34E

Panties: Anything sexy

Anal: Licking is great

BJs: Swallow

Masturbate: Yes

No, your eyes are not deceiving you. Bella's knockers really are that big. We have not edited these photos to make her look bustier. We never do that. And yes, Bella's titties are all-natural. Before you ask, she does get a lot of attention because of them, but she doesn't mind because she's as much of a boob fan as you are.

Bella's boyfriend is a boob hound. When he found her, he thought he hit the jackpot. Bella is an exceptionally horny E-cupper. It was her idea to take these pics and send them to our sister magazine *SCORE*. Because Bella is an amateur, we grabbed these photos to share with you guys first. *SCORE* readers will just have to wait.

Bella doesn't speak English, so her boyfriend translated for us. "I'm excited to see my magazine debut," Bella said. "I let ex-boyfriends take one or two photos of me when I was younger, but this is my first full photoshoot. I was so horny, I was dripping wet. As soon as I finished masturbating, I begged my guy to fuck me. His cock was already hard!"

Talk About A Handful

"I love having my boobs massaged during sex. My nipples aren't too sensitive. They can take some hard pulling. I love it when I'm sucking my guy's cock and his hands are squeezing my tits. That's almost enough to make me cum."

Ariana

Madison, Wisconsin

Student

Bras: 34B

Age: 19

Panties: Thongs

Born: November 11

Anal: Nope

Ht: 5'4"

BJs: Cum on my face

Wt: 108 pounds

Masturbate: When I'm bored

We love Midwestern girls because they tend to be a little more down to Earth than chicks from big cities. "I'm so bored here," Ariana told us. "The Midwest can be nice, but I want to move to California. I love things like hiking and snowshoeing and swimming in lakes, but I can do those things in Cali, plus they have movie stars out there! I want to just hop on a bus to L.A."

We asked Ariana if she liked doing other things outdoors. "Yes. I love to fuck outdoors or anywhere in public, really. I love the feeling of possibly getting caught. It adds to the excitement. Once I even had sex on a playground swing during the daytime. We didn't get caught, but what a thrill! I don't like boring sex."

She Likes Everybody

"I'm proudly bisexual. I love girls. Sex with them is so sensual and passionate most of the time. Licking a wet pussy is so hot! But don't get me wrong—I also love cock! Especially older cock. Guys over 30 know how to work it."

Maddison

Los Angeles, California

Psychology student

Age: 24

Born: January 17

Ht: 5'8"

Wt: 120 pounds

Bras: 34A

Panties: Thongs

Anal: All the time

BJs: Swallow

Masturbate: Yes

"I was very shy in high school," Maddison told us. You may not believe her because here she is spreading her cunt and letting our stud plow her butt senseless, but she swears it's true. "I'm serious! I never went on a single date because I was too timid to recognize when a guy liked me and wanted to hang out."

"I'm in school studying to become a psychologist, so I don't have a lot of time to do anything besides cramming for tests. But I found myself getting aroused all the time and it was distracting me from my schoolwork, so I wanted to get fucked really good. I don't have a boyfriend, and I'm not looking for one, so I decided to do some porn."

"When I started masturbating a long time ago, I remember thinking that touching my butt felt good, too. I would finger both of my holes. It wasn't until I had sex-ed classes that I found out that anal isn't a normal thing for most people. I fucking love it, though. If I could, I'd do it every time I have sex, even if it is just for a minute or two."

Remember To Tell The Truth

"Most of the guys my age on Tinder are losers. My friend once told me that she hooked up with a guy and he lied about his cock size. Like, did he think she wouldn't notice that he was four inches smaller when he got naked?"

Ravishing **REDHEADS**

It's true!

Redheads are
better in bed.

• Jia Lissa •

We won't bog you down with the nitty-gritty, but when we read in the news that multiple scientific studies found that redheads get laid more often and have genes that make them better at shagging, too, we knew we had to give you guys a redhead special. Every coppertop is terrific, but we're especially fond of Sadie because her ass is open for business.

• Sadie Kennedy •

• Amber Addis •

• Dolly Little •

• Candy Red •

A lot of red hair nowadays comes from a box. But when you look at Candy's box, her pubes tell you all you need to know—she's a natural! Dolly Little is another real-deal red-head. She chose her name because she's only 4'9"! Ava loves getting her little pussy pounded and it shows. Ava leaned over a desk for a ball-slapping fuck, her ass clapping back against her guy's pelvis as he drilled her. Like most red-heads, she's a loud moaner.

Subscribers have already seen Leka in our NN2504 issue. She toyed her ass with a plug while she fingered her deliciously hairy snatch. This time, she's using a toy on her pussy. "I wanted to shoot more anal pictures for you," she told us. "But my boyfriend and I had an intense session last night and my asshole was a little sore."

Bush Maintenance

"I adore having a bush, and I can't imagine ever shaving or waxing. For summertime, I'll shave my thighs so my beaver doesn't peek out the sides of my bikini, but that's about all I do for maintenance. It's all about the natural look!"

"I have a crazy high sex drive," Riley told us when we asked what a cute girl from Northern Michigan was doing shooting porn. "I really like to use buttplugs and dildos because it stimulates everything and feels so good. I love anal play when I'm alone, but most guys try to just go right in, so anal sex can be challenging."

"I was scared to pop my cherry because I have a bigger labia and I thought that wasn't normal. Now, I understand that some guys like pussies that look like mine. Most guys don't give a shit what the pussy looks like as long as it's wrapped around their cock! Sex is so much better when you're not in your head."

What's Your Fantasy?

"I'm a control freak, so the idea of giving someone complete control sexually is a huge turn on. I also really want to have sex in all of my favorite places: Certain hiking trails, museums, libraries, marinas, places like that."

WHAT HAPPENED TO KEY PARTIES?

Back when cars still had bench seats, when the Bay City Rollers were on all the radio stations and suit lapels were as wide as a Trans-Am's hood was long, key parties were all the rage. Your friends swore they heard about so-and-so participating in one. Maybe the Joneses from down the street were rumored to have been hosting them for the movers and the shakers in town. It was a time for sexual exploration, after all. The 60s had shak-

en up the societal mores around fucking, if not blown them into smithereens. But what about now? Did those legendary parties of wife-swapping pleasure go further underground, or did they disappear like shag carpeting and wall telephones?

For the uninformed, a key party is for swingers. When couples enter, the men put their car keys in a bowl. After a few drinks, some smokes and a little harmless flirting, the women indiscriminately grab a set of keys and go home with whomever they belong to. If you weren't alive when key parties

She grabbed your keys. Now you can take her home.

First things first—did key parties ever exist? Well, of course they did. There's an Internet meme called Rule 34 that states that everything you can conceive of, no matter how wild, irregular, vulgar or specific, pornography of that exact thing must exist somewhere. act that is physically possible in the course of human history. But were key parties ever popular enough to warrant their perhaps outsized reputation? Most credible sources say no.

"Even though I attended hundreds of erotic events, from private parties to huge conventions in Las Vegas, I have never been to a key party or even been invited to a key party," Kate Frank, a noted cultural anthropologist and sex researcher, wrote in an article for online publisher Medium entitled *The Myth of Key Parties*. When Dr. Frank wasn't busy studying for her Ph.D. from Duke University, she and her husband were also "in the lifestyle," as they say in swingers' circles, meaning they participated in wife swapping and other taboo activities. "When I interviewed lifestyle couples, I never found anyone who had personally attended a key party or said they wanted to, whether in the 1960s or in the decades that followed." That's not to say that Dr. Frank struck out entirely while searching for the real scoop on key parties. She came close a few times. The first, when she discovered parties with similar names that may have been paying homage to the original.

"I work at a chain restaurant," Lily told us. "I'm saving up money for college. I just moved out of my parents' house, and rent is expensive, so I can use this money you're sending to me for the pictures. But that's not the only reason. I'm also the horniest teen in Akron!"

"The kinkiest thing I've ever done was a threesome in Boston. I was there with my family, but I split off from them to explore on my own. I ran into this couple who were there on vacation. We hit

it off and they invited me back to their hotel room. We spent a few hours having amazing, completely anonymous sex. I didn't do much with the wife. We just kissed and I played with her tits."

She Doesn't Like Them Young

"I'm still in high school, so I'm between a rock and a hard place. I love to fuck, but I mostly prefer older men. While my friends are all drooling over the football captain, my panties are getting moist for the English teacher!"

We flew Emma down to Miami to shoot pictures on a yacht for our issue NN2601. She had such a good time, she shot these photos for us when she got back home to Oregon. "I thought that maybe my trip down to shoot porn with you guys was a once-in-a-lifetime experience, but I was still buzzing from adrenaline when I got home. I got a friend-with-benefits to take these pictures for you guys."

Give Her An Eyeful

"You know what satisfies me the most during sex? Seeing another person cumming. I like swallowing cum, but it's so much more fun jerking a guy off on my chest or face because I get to see the jizz erupt out of the cock."

Adora is lusty and busty, and she knows how to flaunt her titties. "All of my blouses are low cut. Why would I hide my girls? They're my best asset! I love walking down the street and watching guys' eyes pinned on my chest. It's hilarious and a big turn on. Guys are so easy to please. Give them some cleavage and a little flirting and they're putty in my hands."

Short & Curly Girly

"I'm trying to grow out my bush for a change of pace. I've always been a shaver or waxer, but I wanted to see how I'd look with pubes. I'm liking it. I'm not going to grow it out all crazy like your Bush Babies, but a little hair is nice."

Adora's breasts are built for squeezing, something she loves. "I love when a guy is fucking me and grabs my tits all rough. Sometimes, if they're a little too aggressive, it hurts the next day, but I like it. It's not for every girl, but I like sex a little rough. My last boyfriend and I got into choking with each other and it gave me some of the best orgasms I've ever had."

in *Groups*, my 2013 book on group sex, people told me about lifestyle events with themes of "key party" or "lock and key" (where participants draw a key that fits a lock assigned to another guest) but the new couples did not even necessarily hook up, much less leave the premises together."

The second discovery was a variation on key parties. "A Pakistani businessman told me about underground "key parties" in Pakistan where participants used hotel room keys—no one would actually go back to their own homes or drive their own cars. But once again, I could not find anyone who had participated or any verified accounts."

The good doctor's skepticism of the reality of key-bowl soirees is one shared by most experts in the field. An article written by James R. Smith & Lynn G. Smith in *The Journal of Sex Research* concludes that key parties belong in the "myth" column even though they surely must have occurred because they happened with such rarity it's hard to prove. "Evidently they do occur, and we have unsubstantiated reports concerning them, but we suspect that the proliferation of the

key-party concept has been supported for the most part as a result of fear and fantasy."

Key parties may not have existed in their fabled form, but swingers are always going to swing. And, whether modern libertines took direct inspiration from traditions originating in a bowl full of keys or from the make-believe mythos created about those bowls,

key parties still have influence in the world of polyamory.

In Silicon Valley, cell phones have replaced keys. Technology is partnering people off at social gatherings held specifically to find casual lovers. Sometimes referred to as "Bronze Parties," these organized events bring partygoers together and allow them to use an app to read about what the other guests are into. Attendees fill out questionnaires ahead of time. When they mingle, notifications will alert them if their answers matched. Referring to old-fashioned key parties, Ben Fuller, an organizer of Bronze Parties since 2011 told CNN Business, "In the old days, you never knew where you were going. Now you get a really good sense. The event details...even the pictures of the people that are going to be attending the party." Fuller also shared that his Bronze Parties sold \$3 million in party tickets in a single year, so these events are probably more-popular than key parties ever were.

If the idea of bringing technology into your swinging adventures doesn't tickle your fancy, you're unlikely to find an alternative outside of traditional private sex clubs. While sex clubs are amazing and a whole lot of fun, they aren't an analogous replacement. They usually have similar rules, however. They are strict on allowing single men to participate, just like key parties. After all, there would be a deficit of wives to keychains if every big-dicked bachelor was allowed to attend. Still, if you'd like to organize a good old-fashioned key party, just like the ones that you've always dreamed of attending, a sex club is a good place to find attendees. Swingers are by nature adventurous people, and the allure of holding the first key party your town has seen in a long time, possibly ever, will be an intriguing proposition. But, if you don't have that kind of time or enough charisma to sell the idea to others, you had better start getting bolder with your lines of questioning at your next neighborhood block party. Who knows? Maybe the PTA moms on your block are sluttier than you think.

Evie

Miami, Florida

Student

Age: 29

Born: November 1

Ht: 5'3"

Wt: 103 pounds

Bras: 32B

Panties: I like lingerie

Anal: Yeah

BJs: Swallow

Masturbate: Sometimes

Evie was born in Vietnam but now resides in sunny South Florida. She enjoys listening to music, going for nature walks, exploring historical landmarks, cooking and reading. She likes going on romantic dates with a dash of adventure, like going for a long walk and then having a spontaneous makeout session behind a tree. "I love adventure," Evie told us. "The thrill of doing something that I'm not supposed to be doing turns me on. I'm an exhibitionist. If I weren't, I wouldn't be here!"

"Instead of high school, I went to an all-girls boarding school where we were taught about Christianity and worked on homemaking skills. I was a sheltered girl for a long time. When I lost my virginity, I hadn't even kissed a boy before! I remember telling my girlfriend about having a crush and she taught me how to kiss. We made out every day for a week or two to give me practice."

A photograph of a woman with long dark hair and pearl earrings lying on a green couch. She is nude and looking towards the camera. A man is partially visible on the left, looking down. A quote is overlaid in the top right corner.

"After my first time, I knew that I wanted to explore more of my sexuality. I went on Craigslist and found a random hookup. That's the sluttiest I've ever felt. I never even got the guy's name! I go through cycles of sexuality. I've been in relationships where I've had sex three times a day, and I've gone through dry spells that have lasted for over a year."

Twice The Lovin' For Evie

"I prefer creampie's. I love how hard guys' cocks get right before they nut inside of me. I really want to have a threesome with two guys and let them both fill me with their jizz. The thought of two loads inside me makes me so wet."
